

Television

Manage your recordings in Helix TV

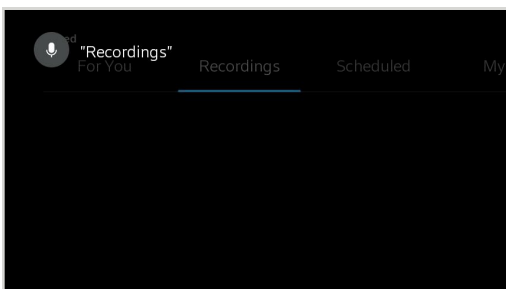

Learn how to easily use the features of Helix TV recordings.

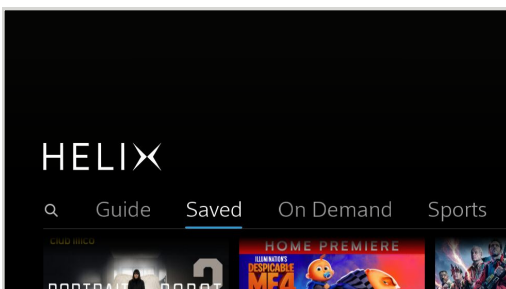

- 1 In the **Guide**, select the content you want to record and press the **Record** key on your voice remote.

- 2 If it is a single film or content, the recording is automatically scheduled and a confirmation message is displayed. If it is a series of programs, the recording options are displayed. Make your choices and select **Confirm**.

- 3 To access your recorded content via voice command, tap the **Microphone** button and say **"Recordings"**.

- 4 To access recordings from the Main Menu, press the **HELIX** key on your voice remote to access the Main Menu, select **Backups** and **Recordings** to view all your recorded content.
